RE: MUR 4830

Dear Ms. Smith:

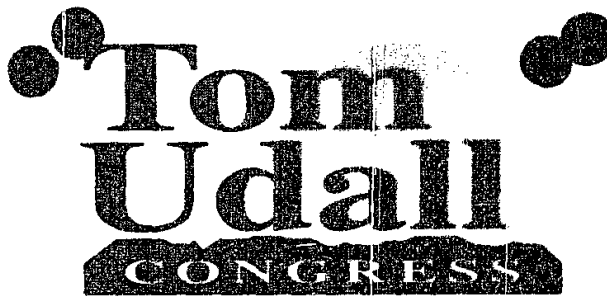

I am writing to request an extension of time for responding to the above-referenced matter. A complaint was received in this matter on November 2, 1998.

The Udall for Us All Committee previously filed amended reports with the FEC to correct errors in earlier reports, which were due to the computer software system we were using at the time. I believe the amended reports previously filed together with the committee's response will resolve all the questions raised in the complaint.

Thank you for your consideration.

Sincerely,

A handwritten signature in dark ink, appearing to read "Tom Udall". The signature is fluid and cursive, with the first name "Tom" and last name "Udall" clearly distinguishable.
Tom Udall

RE: MUR 4830

Dear Ms. Smith:

On behalf of the Udall for Us All Committee, I am writing to request an extension of time for responding to the above-referenced matter. A complaint was received in this matter on November 2, 1998. We look forward to providing our response and believe no action by the FEC will be warranted.

The Udall for Us All Committee previously filed amended reports with the FEC to correct errors in earlier reports, which were due to the computer software system we were using at the time.

We are distressed that the complaint in this matter, which was filed by the chairman of the Republican Party of New Mexico, named numerous individual contributors to the campaign, suggesting that these individuals may have done something inappropriate. We believe the amended reports previously filed together with our response will satisfy any questions the FEC may have about these contributors.

Thank you for your consideration.

Sincerely,

Jill Z. Cooper
